ORDER:

The Provincial Firka Development Officer has represented to Government that some of the Firka Development Officers are finding it difficult to secure the controlled commodities like iron, steel, agricultural implements, cement etc., allotted to the selected firkas, for want of funds. It has been pointed out that if the materials allotted to the selected firkas are not taken delivery of by the Firka Development Officers in time, forwant of funds, they are otherwise disposed of to the detriment of the Firka Development work. In several of the firkas selected, there are no Co-operative Societies which are financially very sound to advance the required amount to purchase, stock and distribute the controlled articles. It has therefore been suggested that a special advance not exceeding Rs.2,000/- may be sanctioned to each of the Collectors for the purpose. In the circumstances stated, the Government accept the suggestion and direct that a special advance not exceeding Rs.2,000/- (Rupees two thousand only) be placed at the disposal of each of the Collectors of the districts (except Madras) for the purchase and distribution of controlled commodities allotted to the selected firkas and centres. It is, however, left to the discretion of the Collectors concerned to decide whether to draw or not to draw the advance and about the actual amount of the advance to be taken where necessary, not exceeding Rs.2,000/-.

2. The advance should be debited to a new sub-head of account "Advances to Collectors for the purchase of controlled commodities allotted to selected firkas" to be opened under "P.III Deposits and Advances - Advances repayable - B.Special Advances".
